--

Dear Parent/Carer

At South Bromsgrove High we sometimes take photographs of pupils. We use these photos in the school's prospectus, on the school's website, on Twitter, on Facebook and on display boards around school.

If photos are used in local media we will request specific consent from the students at that time. Students' full names are not published alongside photos unless express consent is obtained from the parent for that specific instance.

We would like your consent to take photos of your child, and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to the Tutor.

I am happy for the school to take photographs of my child.	
I am happy for photos of my child to be used in internal displays.	
I am happy for photos of my child to be used in the school website.	
I am happy for photos of my child to be used on the school prospectus.	
I am happy for photos of my child to be used on local media	
I am happy for photos of my child to be used on Twitter	
I am happy for photos of my child to be used on Facebook	
I am NOT happy for the school to take or use photos of my child.	

I am happy for the school to take videos of my child.	
I am happy for videos of my child to be used on the school website	
I am happy for videos of my child to be used on Twitter	
I am happy for videos of my child to be used on You Tube	
I am NOT happy for the school to take or use videos of my child.	

If you change your mind at any time, you can let us know by emailing sbhs@southbromsgrove.worcs.sch.uk or calling the school on 01527 831783. If you have any other questions, please get in touch.

Why are we asking for your consent again?

You may be aware that there are new data protection rules coming in from May. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.

Consent form for taking and using Biometric ID

<p>Child's name: _____</p> <p>Tutor Group: _____</p>
--

Dear Parent/Carer

Cashless Catering System – Biometric ID/Fingerprint Recognition

At South Bromsgrove High we use a cashless catering system in order to purchase food and drink.

A unique mathematical image is created from the fingerprint and the fingerprint is then discarded. It is not possible to recreate the fingerprint from this image.

Payments are still processed via Parent Pay.

Biometrics and Security

Students, parents and staff can rest assured that the fingerprint images cannot be used by any other source for identification purposes. The system uses an image of the fingerprint to create a mathematical algorithm and then discards the fingerprint; only the numbers remain and these cannot be reinterpreted back into a fingerprint image. You have recently received an email reminding you how the biometrics system works, but this can also be found on the school website (Life at South>Food@School). Fingerprinting is purely voluntary and those not wishing to sign up will be issued with a pin number.

We would like your consent to include your child in the Biometric registration process. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please tick the relevant box below and return this form to school the Tutor .

I am happy for my son/ daughter to use this system.	
I am NOT happy for my son/ daughter to use this system.	

If you change your mind at any time, you can let us know by emailing sbhs@southbromsgrove.worcs.sch.uk or calling the school on 01527 831783.

If you have any other questions, please get in touch.

Why are we asking for your consent again?

You may be aware that there are new data protection rules coming in from May. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use biometric data from your child.
